2. C'est cette mâle ritournelle, cette antienne virile  
Qui retentit dans la guérite, de la vaillante sentinelle.

R:

3. Afin de tromper son cafard, de voir la vie moins terne  
Tout en veillant sur sa lanterne, chante ainsi le gardien de phare.

R:

4. Après la prière du soir, comme il est un peu triste  
Chante ainsi le séminariste, à genoux sur son reposoir.

R:

5. A l'étoile où j'étais venu, pour ranimer la flamme  
J'entendis émus jusqu'au larmes, la voix du soldat inconnu.

R:

6. Et je vais mettre un point final, à ce chant salubre  
En suggérant au solitaire, d'en faire un hymne national.

1. Hello.

**Hmi**

**A**

Is there anybody in there?

**G**

**Emi**

Just nod if you can hear me

**Hmi**

Is there anyone home?

2. Come on, now

I hear you're feeling down

Well I can ease your pain

Get you on your feet again

3. Relax

I need some information first

Just the basic facts:

Can you show me where it hurts?

**D**

**A**

R: There is no pain, you are receding

**D**

**A**

A distant ship's smoke on the horizon

**C**

**G**

You are only coming through in waves

**C**

Your lips move but I can't hear what you're sayin'

**A**

I have become comfortably numb

4. OK, just a little pinprick

There'll be no more – aaaaaahhhhh!

But you may feel a little sick

Q: Can you stand up?

I do believe it's working, good

That'll keep you going for the show

Come on, it's time to go

R: There is no pain, you are receding

A distant ship's smoke on the horizon

You are only coming through in waves

Your lips move but I can't hear what you're sayin'

When I was a child I caught a fleeting glimpse

Out of the corner of my eye

I turned to look but it was gone

I cannot put my finger on it now

The child is grown, the dream is gone

I have become comfortably numb

**Hmi7**

1. Money, get away

Get a good job with more pay and you're okay

Money, it's a gas

Grab that cash with both hands and make a stash

**F#mi7**

R: New car, caviar, four star daydream

**Emi**

**Hmi7**

Think I'll buy me a football team

2. Money, get back

I'm all right Jack keep your hands off of my stack

Money, it's a hit

Don't give me that do goody good bullshit

R: I'm in the high-fidelity first class travelling set

And I think I need a Lear jet

3. Money, it's a crime

Share it fairly but don't take a slice of my pie

Money, so they say

Is the root of all evil today

R: But if you ask for a raise it's no surprise that they're

Giving none away

Oohhhh... Aaahhh... Mother, will she break my heart?

R: Hush now, baby, don't you cry

Mama's gonna check out all of your girlfriends for you

Mama's gonna wait up until you get in

# Shine on you crazy diamonds

1. Remember when you were young, you shone like the sun  
**Es Es/D CmiCmi/B F**  
Shine on you cra-zy diamond  
**Gmi** **F#** **B**  
Now there's a look in your eyes like black holes in the sky  
**Es Es/D CmiCmi/B F**  
Shine on you cra-zy diamond  
**Gmi** **Gmaj7/F#**  
You were caught in the crossfire of childhood and stardom  
**Gmi7/F C9**  
Blown on the steel breeze  
**Es Edim**  
Come on you target for faraway laughter  
**B/F Dmi D7 Gmi**  
Come on you stranger, you legend, you martyr, and shine!

**F# B E D#/D Cmi Cmi/B F**

2. You reached for the secret too soon, you cried for the moon

Shine on you crazy diamond

Threatened by shadows at night and exposed in the light

Shine on you crazy diamond

Well you wore out your welcome with random precision

Rode on the steel breeze

Come on you raver, you seer of visions

Come on you painter, you piper, you prisoner, and shine!

3. Nobody knows where you are, how near or how far

Shine on you crazy diamond

Pile on many more layers, and I'll be joining you there

Shine on you crazy diamond

And we'll bask in the shadow of yesterday's triumph, sail on the steel breeze

Come on you boy child, you winner and loser

Come on you miner for truth and delusion and shine!

Pink Floyd

- F#mi** **A**  
1. Ticking away the moments that make up a dull day  
**E** **F#mi**  
You fritter and waste the hours in an off hand way  
**F#mi** **A**  
Kicking around on a piece of ground in your home town  
**E** **F#mi**  
Waiting for someone or something to show you the way

- Dmaj7** **Amaj7**  
2. Tired of lying in the sunshine staying home to watch the rain  
**Dmaj7** **Amaj7**  
You are young and life is long and there is time to kill today  
**Dmaj7** **C#mi7**  
And then one day you find ten years have got behind you  
**Hmi7** **E** **E7**  
No one told you when to run, you missed the starting gun

3. And you run and you run to catch up with the sun, but it's sinking  
And racing around to come up behind you again  
The sun is the same in the relative way, but you're older  
Shorter of breath and one day closer to death

4. Every year is getting shorter, never seem to find the time  
Plans that either come to naught or half a page of scribbled lines  
Hanging on in quiet desperation is the English way  
**Hmi7** **F** **Emi**  
The time is gone, the song is over, thought I'd something more to say
